OLD SCHOOL

*Traditional charmer
meets modern muse.*

DESIGNERS SARAH-JANE PYKE, JULIETTE ARENT, DOMINIQUE BRAMMAH AND GENEVIEVE HROMAS “True to the heart of its utilitarian functionality this bathroom is without embellishment. It finds its harmony by recalling traditional typologies. Simple brick tiles and pared-back joinery sit alongside the modern luxuries of floor-to-ceiling glass, austere black tapware and a bountiful shower rose.” *What luxury item did you choose for this bathroom regardless of budget?* “We used a polished plaster finish for the walls outside the shower recess, applied by hand and buffed to a soft shine.”
